

I refuse to believe
that in a free and
fair society that
Sinclair
broadcasting would
be allowed to give
an illegal and
unregulated in-kind
political
contribution over MY
public airwaves in
the final weeks of
an election. You
have failed to
protect and preserve
the broadcast
airwaves not only
from corporate
monopolization but
from lies and
slander. This
should be regulated
like all political
speech. The Kerry
campaign should be
given 90 minutes for
free to run their
own 90 minute
commercial. SHAME
ON YOU!!
